

# INCLUSIVE

WITH ITS 150-YEAR HISTORY, First Church is a place that is full of stories and inspiration. Of course, we each have our own personal stories of what First Church means to us, how we find inspiration in this community. Yet, these stories wouldn't be possible if not for the generosity and contributions of our members; and there's no better way to ensure these stories continue than by making an annual pledge. This season, as we honor our rich history, we are asking the First Church community to commit a portion of their income to provide for our continued future.

First Church counts on annual pledges to support all we do to fulfill our mission – our programs, the amazing music we experience each week, our outreach. Every pledge makes a difference, and an increase in your yearly giving has a significant impact on what we experience together.

Only you can determine for yourself what to pledge – what is comfortable, yet at the same time, audacious. Whether you're able to make a tithe of 10% of your income, or you start lower and work your way up, the important thing is to take the step as part of your spiritual journey.

Working together, we can reach our goal of at least 150 pledges for our 150 years of history and ensure that our amazing stories – and the inspiration – will continue!
